## **Miracles in Motion, Inc. COVID Precautions & Procedures:**

The safety of our students, volunteers, dance families, and staff are our top priority. We want you to know that we are following CDC guidelines to protect your precious children! We ask that you and your family follow the procedures listed below along with any adjustments we need to make throughout the dance season in order to maintain the health and safety of those working and attending class at Miracles in Motion. Procedures will be adjusted as needed per CDC guidelines.

· **MASK POLICY:** Masks are optional for everyone entering the studio. Please communicate any significant needs with our staff.

Volunteers' temperature will be taken with a touchless thermometer and they will be given hand sanitizer to use before entering the studio.

· **SOCIAL DISTANCING:** Due to the nature of our studio, it is next to impossible to keep most of our dancers 6 feet apart. We will do everything in our power to keep them from touching each other but cannot guarantee social distancing. Teachers have structured classes to try and keep students as socially distanced as possible.

I acknowledge the contagious nature of the Coronavirus/COVID-19 and that the CDC and many other public health authorities still recommend practicing masks and social distancing. I further acknowledge that Miracles in Motion, Inc. cannot guarantee that I will not become infected with the Coronavirus/COVID-19. I understand that the risk of becoming exposed to and/or infected by the Coronavirus/COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, staff, students, volunteers and their families. I voluntarily seek services provided by Miracles in Motion, Inc. and acknowledge that I may be increasing my risk to exposure to the Coronavirus/COVID-19. I acknowledge that I must comply with all set procedures to reduce the spread while attending classes at Miracles in Motion, Inc.
