SPONSORSHIP OPPORTUNITIES

OUR MISSION

Miracles in Motion (MIM) is a 501c3 local Richmond non-profit organization (tax ID #46-4279142) that provides quality dance instruction to people with special needs while promoting awareness in the community through the joy of dancing.

OUR PROGRAM & CLASSES

Raising a child with special needs is challenging. Finding a place where they fit in is even more challenging! MIM provides a place where children and adults with special needs can fit in and learn to express themselves through the artistry of dance. We offer a complete dance education along with structured choreography in a dance studio setting. With the help of dedicated instructors and volunteer assistants, MIM offers classes in jazz, contemporary, ballet, tap, yoga, musical theater, creative movement, exercise/body shaping and hip-hop. Classes start in September and go through April each year with a recital in May. Two weeks of summer camp are held in July. Every class is structured to meet the specific needs of each dancer. Private lessons are also available.

OUR HISTORY

Kim Moncrief founded MIM in 2007 after the birth of her son, Logan, who was born with Down syndrome. As a professional dancer with a BFA in Dance & Choreography from VCU, Kim realized there was no place for Logan or others like him in the dance world. Undeterred by this realization, Kim created MIM...a dance family for people with special needs...a place to receive quality dance instruction and a place for them to shine!

Currently, MIM serves 80+ dancers a year at studio locations around Richmond.

OUR NEEDS

Providing quality dance instruction is costly! Studio rental, costumes and props have all gone up in price over the past few years.

Raising a child is expensive, even more so when your child has special needs! Dancer scholarships provide a welcome relief for families that have increased medical bills.

Our special events enable us to raise funds to keep the music playing for our dancers! Join us for our annual Chili Cook-Off, Final Performance and Fall Raffle.

Having our very own dance studio is a dream that YOU can help make a reality!

HELP US GIVE OUR SPECIAL DANCERS THE VERY BEST...PLEASE JOIN US!
